

Twin Falls School District
Web Design
webdesign.bruintech.org
Grades 10-12
Sarah LaMarche
737-5208 ext. 3104
lamarchesa@tfsd.org

Prerequisites: *You must take Intro to IT **prior to** - Web Design*

Course Description: *Student will use HTML/CSS/JS along with frameworks such as Bootstrap and jQuery to develop a basic front end web site. Upon completion of this class students will be ready to take Mobile App Development using Apache Cordova.*

Instructional Philosophy:

This course is a composite of lecture, assignments, active production projects, quizzes, and performance and written assessments. EOC and Final Project (A working Web Site)

Learning Objectives:

Web Development Standards

Workplace Ready Standards

Assessment and Grading Plan:

Grades will be assessed using traditional methods and scoring rubrics.

Cell Phone Policy & Expectations --> [Here](#)

Grading Scale:

A	90 – 100%
B	80 – 89.9%
C	70 – 79.9%
Incomplete	Below 69.9%

Components of the Grade:

Assignments & Quizzes	35%
Midterm Exam	10%
Midterm Project	10%
Final Project	25%
Final Exam	20%

Policy for Re-Doing Work:

If course time allows, “Re-Dos” will be scheduled by the student, graded using the original assignment rubric and will be assessed a 20% deduction once the final grade is calculated. Scheduling of ALL make-up work and “Re-Dos” is the responsibility of the student. All course work must be submitted by 3:00pm the school day prior to finals. Grades are final by the end of course.

Opportunities for Extra Help:

I urge you to take advantage of extra help opportunities! I am available before school each day. You may also receive personal tutoring from other students.
